Declaration of endorsement of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

University of Białystok represented by Rector Professor Leonard Etel expresses full support to the Recommendation of the European Commission 2005/251/EC on “The European Charter for Researchers” and “The Code of Conduct for the Recruitment of Researchers”.

University of Białystok recognizes the value of principles underlined in the Charter and the Code. We declare our commitment to implement those principles to our Human Resources policies and to raise awareness of them among our researchers.

We believe that the endorsement of the Charter and the Code will be an important step towards creating truly attractive, fair and beneficial working environment for researchers on each stage of their academic career, therefore enhancing the quality of innovative research. We also intend to further promote and facilitate academic mobility and enhance international cooperation.
